MOTIVATIONS

PERSONALITY

Hardworking Organized Empathetic

"I never want to look back and think that I didn't try my hardest to provide for my family and break stereotypes along the way."

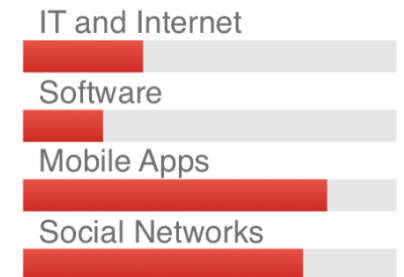

GOALS

- To start my own insurance company.
- That my kids never have to worry about money.
- To reduce stress at work and at home.

FRUSTRATIONS

- When employees take too much time off or aren't focused.
- When personal stress affects me at work.
- When I can't understand why performance dips at work.

TECHNOLOGY

BIO

I decided to move to Chicago for a job opportunity directly after attending Princeton. Because of my busy schedule and family responsibilities, sometimes my self-care slips through the cracks. I want to be a leader for my company and someone that employees look up to so it is important that I keep my stress low and stay mentally and emotionally strong.
